

Remarks/Arguments

Reconsideration of this Application is requested.

Claims 1-32 have been objected to by the Examiner because of certain informalities. The expression "can be" in amended Claims 1 and 17 has been replaced with the term "is", thus the informalities have been removed.

In view of the above Claims 1-32 as amended are patentable. If the Examiner has any questions would he please call the undersigned, at the telephone number noted below.

Please charge any additional fees that may be required or credit any overpayment to Deposit Account Number 16-1885.

Respectfully submitted,

/Ronald Reichman/
